

You're royally invited to shine!

I hope this message finds you sparkling! I'm reaching out with a magical invitation to be featured in a new content series I'm launching: **Party Princess CommuniTea**, a monthly YouTube video + social segment dedicated to uniting and uplifting our global party princess community.

A royally cozy space where we sip the latest tea in our industry, from new character trends and party wins to honest reflections about what it takes to be a performer today... always through the lens of *positiviTea*. It's a place to connect with others, feel inspired to try new things, and create together, beyond borders and company names.

How You Can Join the Magic

Guest Spotlight

A short, interview-style feature where we highlight your journey, values, unique offerings, or a specific topic that's currently trending. The questions will be sent in advance, and you can submit a video clip (horizontal, 5 minutes max.) or schedule a virtual chat to film the interview.

Crown Moments

A montage-style segment dedicated to celebrate recent wins, milestones, or magical moments! From character debuts to community events, we want to cheer you on and the amazing achievements you've had. Simply send a photo or short video (with a 1-2 sentence caption) showcasing your moment.

Mission

To build a stronger, more supportive community of character performers by spotlighting the magic we bring to the world and encouraging collaboration over competition. Whether you're just starting out or you've been ruling your kingdom for years, you deserve to be seen, heard, and celebrated.

If you're interested in being featured in either section, please reach out! I'll follow up with brief guidelines so everything feels easy and magical

Thank you for the sparkle you bring to our world!
